

Quiet Rooms print shop instructions

One-page note for local printing

These are free personal-home-use files for printing and framing in a private residence.

Please print this file at exactly 8x10 inches, at 100% scale or actual size, with no crop and no fit-to-page.

Pair and trio starter pages also offer optional 8x10 PDFs if you want a matching set.

Reminder: keep the final print size at exactly 8x10 inches.

Quiet Rooms Hanging Checklist

One-page frame + print shopping sheet

Calm trio

- Print 3 files, size 16x20 or budget-start 8x10.
- Buy 3 matching frames.
- Plan about 54 inches total width at 16x20.
- Hang in one horizontal line with about 2-3 inches between frames.

Quiet geometry pair

- Print 2 files, size 12x15 or budget-start 8x10.
- Buy 2 matching frames.
- Plan about 27 inches total width at 12x15.
- Keep about 2-3 inches between frames.

Dusk Ridge single

- Print 1 file, size 16x20 or 8x10.
- Buy 1 frame.
- Center around eye level.
- Works on a narrower wall.

For every setup

- ☐ Print at 100% scale.
- ☐ Use matte/heavier paper when available.
- ☐ Keep the 4:5 ratio.
- ☐ Simple oak/black/white frames work well.
